DISCIPLINE SPECIFIC SELECTION CRITERIA

U19 Track Men and Women

UCI 2019 Junior Track World Championships

14 – 18 August 2019 | Frankfurt (Oder), Germany

1. GENERAL

- 1.1 Athletes will be required to earn World Championships Team selection in accordance with clause 1 of the *Cycling Australia Selection Policy and Appeals Process for UCI World Championships*, and this discipline specific document of the Cycling Australia (CA) selection criteria.
- 1.2 Objectives: See clause 1 of the *Cycling Australia Selection Policy and Appeals Process for UCI World Championships*.
- 1.3 Performance Time Period: 14 December 2018 to 14 April 2019
- 1.4 Team size: Refer to clause 3.3 of the *Cycling Australia Selection Policy and Appeals Process for UCI World Championships*.

2. DUAL WORLD CHAMPIONSHIP SELECTION

- 2.1 It is the strong preference of Selectors to select U19 Athletes for one (1) World Championships Team per calendar year in order to minimise disruption to athlete education. Athletes available for selection in more than one discipline (track or road), within the same calendar year, may not be considered for both World Championships Teams.

3. U19 SPECIFIC ELIGIBILITY

- 3.1 Specific eligibility for the 2019 Junior Track World Championships will be based on the principle that those Athletes be in formal education or training, and remain engaged in that education or training course to completion throughout the 2019 Junior Track World Championships selection and competition periods. As this clause 3.1 has been implemented in 2019, this requirement will be given significant weight by the Selection Panel, but will not be mandatory. Education may include, but not be limited to;
 - i) Secondary School Certificate of Education (i.e. SACE, VCE, or International Baccalaureate (IB) etc)
 - ii) TAFE and/or Vocational Education Training (VET) (i.e. Traineeship or Apprenticeship)
 - iii) Tertiary study (i.e. Undergraduate degree)

- 3.2 Athletes who are unable to satisfy the education or training requirements of clause 3.1 will need to provide reasons to the Selection Panel as to why this is the case. The rationale for the inclusion of clause 3.1 is that Cycling Australia does not believe it is generally in the best interests of junior athletes to focus solely on cycling at this point in their development.

4. SELECTION CRITERIA

- 4.1 Consideration for selection to the Junior Track World Championship Team may be based upon achieving:
- i) Performances in Section 5 of this document, and/or in accordance with clause 2.2 of the *Cycling Australia Selection Policy and Appeals Process for UCI World Championships*, where Selectors may use absolute discretion to select athletes based on their potential to progress to Podium category within 5 years.
 - ii) If athletes attain performances in the events listed below at 5.1.1 and/or times in 5.1.2, they will be automatically eligible for consideration.
- 4.2 Where more athletes meet the criteria than there are places available, selectors may use absolute discretion to rank athletes according to some or all of the factors in clause 2.2 of the *Cycling Australia Selection Policy and Appeals Process for UCI World Championships*.

5. SELECTION EVENTS AND PERFORMANCE STANDARDS

- 5.1 The Selection Panel may consider the performance outcomes and standards indicated below for:

5.1.1	U19 Events (Olympic Events)	
	National Omnium Championship	Top 3
	National Track Championship	Top 3
5.1.2	U19 Timed events – Performance standards *
